Dear players and parents,

This is the 21st season that I have been involved with the football program. The Grid Club hires Select Digital Memories to film and produce highlight videos from the varsity games. These videos can be found on the www.selectdigitalmemories.com website within a few days.

I'm not hired to take game photos, but in full transparency, it is one of the favorite things I do. The action photos are available for purchase. Some families start a tab and settle up after the season is over. I do watermark the photos to discourage people from using them. It is disheartening to see watermarked photos on social media. For some reason, many people think this is OK. It's not.

Team and individual photos for the 2024 Cardinal Football (10-12) team will be Thursday, August 22nd at the football stadium. Individual photos will start at 3:00 p.m., followed by team photos. 9th grade team photos will be scheduled later.

Also, 10% of team/individual orders will be donated to the nonprofit organization **Sole Hope**. To learn more about this organization and how you could be involved see the information on the back of this order form.

There are several changes on the order form this year. If you have any questions, please contact me.

Thanks!
Mark
