Dear players and parents,

This is the 22nd season that I have been involved with the football program. Last year my role with the team changed. The Grid Club will now hire Select Digital Memories to provide photos from all varsity games and the JV / 9th home games. These photos can be found on the www.selectdigitalmemories.com website within a few days. A download link and instructions will be included on the website.

Team and individual photos for the 2025 Cardinal Football 9th team will be Monday, September 8th at the football stadium. Individual photos will start at 3:20 p.m., followed by team photo.

There are several changes on the order form this year. If you have any questions, please contact me.

Thanks!
Mark
